

ORION

The Orion is a low coffee table designed to be admired and be a design feature in any setting. The three columns enhance the style of the coffee table.

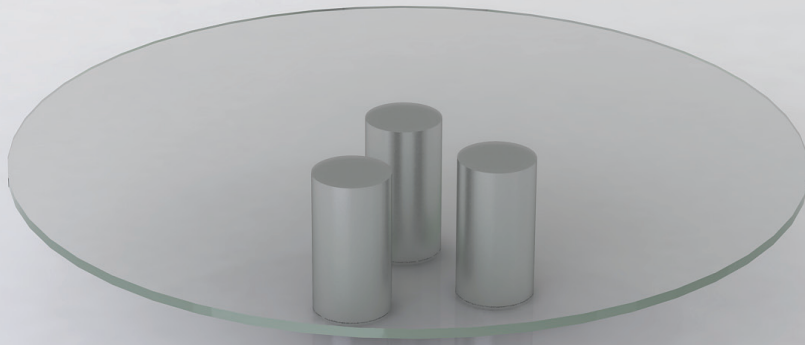

The glass tabletop and leg frames are available in a range of Swanky Design colours and effects.

Materials used are environmentally friendly. The table has been designed so it is simple to assemble. Each table is stamped with the Swanky Design Logo. Made In England. Available in Marine Grade materials.

Glass Tabletop - The leg frame is UV bonded to the glass top. The UV bond has been laboratory tested and meets a very high standard of 450kg shear pressure per leg.

All glass is Toughened Safety Glass and conforms to British Standards BS 6206 which is recognised world-wide.
