

# YORK

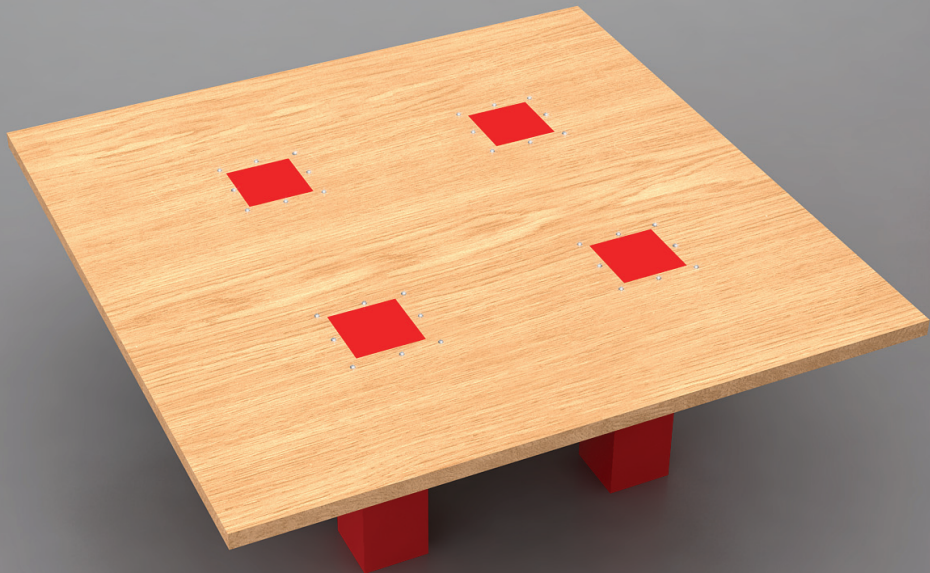

The York table is a low coffee table modern and contemporary in design which is inlaid with Swarovski crystals around each square insert.

The wooden tabletop and leg frames/inserts are available in a range of Swanky Design colours and effects.

The leg frame is available in brushed stainless steel or pearlescent silver coated steel. To create a harder finish the pearlescent silver colour is applied by electrostatically charging the paint in a powder form and then curing it under high heat in a kiln.

Materials used are environmentally friendly. Each table is stamped with the Swanky Design Logo. Made In England.
