

MYRA

The Myra console is designed with 2 central columns.

The glass tabletop and leg frames are available in a range of Swanky Design colours and effects.

Materials used are environmentally friendly. Each table is stamped with the Swanky Design Logo. Made In England.

Glass Tabletop - The leg is UV bonded to the glass top. The UV bonds have been laboratory tested and meet a very high standard of 450kg shear pressure. Glass table top corners are rounded for safety.

All glass is Toughened Safety Glass and conforms to British Standards BS 6206 which is recognised world-wide.
