

SAVANA

The Savana table is bold in design and contemporary.

The Savana table is available in a variety of finest single source marble .

The leg frame is available in satinated stainless steel or pearlescent silver coated steel. To create a harder finish the pearlescent silver colour is applied by electrostatically charging the paint in a powder form and then curing it under high heat in a kiln.

Materials used are environmentally friendly. Each table is stamped with the Swanky Design Logo. Made In England.

Each leg frame is hand made by experienced engineers
