

ATLANTIC MEETING

The Atlantic meeting table is industrial and makes a statement with the broad leg frame.

The glass tabletop and leg frames are available in a range of Swanky Design colours and effects.

Materials used are environmentally friendly. The table has been designed so it is simple to assemble. Each table is stamped with the Swanky Design Logo. Made In England.

Glass Tabletop - The leg frame is UV bonded to the glass top. The UV bond has been laboratory tested and meets a very high standard of 450kg shear pressure per leg. Glass tabletop corners are rounded for safety.

All glass is Toughened Safety Glass and conforms to British Standards BS 6206 which is recognised worldwide

Finishes goto <http://www.swankydesign.com/IndoorFinishes.php>.
