

HAVANA COMPACT

The Havana Compact is a space saving desk. This table can be used where space is at a premium.

The glass tabletop and leg frames are available in a range of Swanky Design colours and effects.

Glass Tabletop - The leg frame is UV bonded to the glass top. The UV bond has been laboratory tested and meets a very high standard of 450kg shear pressure per leg. Glass table top corners are rounded for safety.

All glass is Toughened Safety Glass and conforms to British Standards BS 6206 which is recognised worldwide.
