

## V DESK

The V Desk is stunning in design. It features two side facing bookshelves.

The glass tabletop and leg frames are available in a range of Swanky Design colours and effects.

Glass Tabletop - The bookshelves are UV bonded to the glass top. The UV bond has been laboratory tested and meets a very high standard of 450kg (1000 lb) shear pressure per leg. Glass table top corners are rounded for safety.

All glass is Toughened Safety Glass and conforms to British Standards BS 6206 which is recognised worldwide.

Materials used are environmentally friendly. Each table is stamped with the Swanky Design Logo. Made In England.
